
Statement of objects of Greater Canberra Incorporated

Adopted at the Inaugural General Meeting on 6 December 2021

The primary object of Greater Canberra Incorporated is to achieve a more liveable, sustainable and affordable future for all Canberrans by advocating for abundant housing and urban intensification.

To achieve this, Greater Canberra will:

- (1) advocate, through public discourse and direct engagement with stakeholders and policymakers, for policies promoting access to abundant, high quality and sustainable housing
- (2) advocate for high quality urban design and urban intensification in the Canberra region, including high quality public transport, urban amenity, walkable neighbourhoods and public green spaces
- (3) engage with planning processes in support of planning proposals that promote high quality development, abundant housing and urban intensification
- (4) engage in any other advocacy, research, fundraising, or community-building activities necessary to support these aims.
